Model Complement: Purpose & Mission

The following are a list of questions that can assist you in learning some aspects of you. They are meant as a guide to help you get into a frame of mind that will be conducive to defining your purpose and mission. Read each group of questions *quickly, choosing* the first one you gravitate to the most. Enjoy the moment as you complete this questionnaire. Once you're done, add your score; if sum = 2 numbers, simply add the two numbers to get one number. (i.e. total score is 57/5 + 7 = 12 then 1 + 2 = 3). The final single digit is your score, and is located in the "Tools" section at the end of this Questionnaire.
